AMENDMENT

Responsive to the Final Office Action, dated June 20, 2002, Paper No. 9, please amend the application as follows:

In the claims:

Please amend the claims to read as follows:

- Sub CD*
- B1*
1. (Twice Amended) A method for tokenless authorization of commercial transactions between a user and a seller using a computer system, the method comprising the steps of:
 - a. a user registration step, wherein the user registers with the computer system at least one registration biometric sample and at least one user financial account;
 - b. a seller registration step, wherein the seller registers with the computer system at least one seller financial account;
 - c. a proposal step, wherein the seller offers a proposed commercial transaction to the user, the proposed commercial transaction comprising price information;
 - d. an acceptance step, wherein the user signals acceptance of the seller's proposed commercial transaction by adding to the proposed commercial transaction the
